

Amendments to the Specification:

The Office Action requested that Applicants add a "Summary of the Invention" description to the application. However, Applicants would like to kindly point out that both the MPEP and 37 C.F.R. §1.73 do not require the presence of a "Summary of the Invention." They merely indicate where in the application the "Summary of the Invention" should be placed if Applicants choose to add one. 37 C.F.R. §1.73 only states that a "Summary of the Invention" should or may be included. It does not state "must" or "shall." Accordingly, Applicants have elected not to include a "Summary of the Invention" as this is within the discretion and right of the Applicants.
